GENERAL ASSEMBLY
Fifty-third session
Agenda item 62
QUESTION OF CYPRUS

SECURITY COUNCIL
Fifty-third year

Letter dated 11 November 1998 from the Permanent
Representative of Cyprus to the United Nations
addressed to the Secretary-General

Upon instructions from my Government and further to my letter dated 6 November 1998 (A/53/649-S/1998/1048), I have the honour to draw Your Excellency's attention to new violations of the national airspace of the Republic of Cyprus and of the flight information region (FIR) of Nicosia by military aircraft of the Turkish Air Force, recorded on 10 November 1998.

On that day two C-130 military aircraft of the Turkish Air Force entered the northern Nicosia FIR, violating international air traffic regulations. The aircraft in question violated the national airspace of the Republic of Cyprus and landed at the illegal airport of Lefkoniko in the occupied area of the Republic before returning back to the Ankara FIR on the same day.

As stated in my previous letters, such unauthorized intrusions into the Nicosia FIR and the national airspace of the Republic of Cyprus are in violation of international air traffic rules and, at the same time, they are in contravention of the provisions of the Security Council resolutions on Cyprus which state that such overflights increase tension on the island and undermine efforts towards achieving a final settlement.

On behalf of the Government of the Republic of Cyprus, I wish to strongly protest these new provocative acts by Turkey against the sovereignty and territorial integrity of the Republic of Cyprus. The frequency and intensity of airspace violations are a further reminder of Turkey's offensive disregard of international law, the Charter of the United Nations and all the relevant decisions of the Organization on the question of Cyprus.

Furthermore, these continuing overflights by the Turkish Air Force, as well as the presence of the Turkish military occupation forces on the island, constitute the underlying causes of tension in Cyprus.
